

To Whom It May Concern,

August 31, 2015

Recently, my husband and I had the pleasure of having The Glenn Marais Band play at our wedding. We cannot say enough about the talent, skill and dedication of this wonderful group.

In preparation for the event, Glenn was timely and flexible in working with us to plan the set list. The music was a great mix of contemporary music and the classics, and included tunes for all ages. He helped us plan for the music and timing of the ceremony and reception, and he listened to and accommodated our needs. It was clear to us that he was committed to helping make this event a special one.

On the day of the wedding, Glenn and his band were professional, unobtrusive and very helpful with set up. Their music added just the right ambiance to the cocktail hour. After dinner, they got our guests up and dancing through the evening reception. It was truly a pleasure to see our guests having such a great time.

Months after the event, friends and family still comment on how exceptional the band was. They were a highlight of the event, and we would highly recommend them for any social or corporate event.

Sincerely,

Jess Owen & John Baker
